## What would you improve about outdoor recreation opportunities in your community?

access by bike, not on a road  
 Allow Bikes on existing non paved trail  
 Wildlife protection + viewing  
 " " "  
 Paths along water ways  
 Waterway observation points  
 Trees, bushes, weeds, native plants for wildlife and natural ecosystem  
 No trimming No herbicides  
 No mowing  
 Remove invasives  
 Keep Davis Ferry historic bridge preserved!  
 Too much paving  
 Too much grooming  
 Not every square yard of the greenway needs to be paved or have a sign or a feature - water is it  
 Eco-Friendly - Flood control - Katy Trail, etc have flooding too  
 Cultural + historical signage/info

WILDLIFE VIEWING
